

Make your everyday routine more convenient than ever.

Dear Customer,

We hope you and your loved ones are keeping safe.

With the rapidly changing environment and given the shift to more online transactions in the current period and more people choosing to transact digitally, we would like to update you on the changes that have been planned pertaining to your HSBC VISA Platinum Cashback Credit Card, in order to provide you with benefits that are more relevant to these changing times; coming into effect from 1 August 2021.

The HSBC VISA Platinum Cashback Credit Card will continue to offer you year round savings on your card spend on daily essentials, with savings on your online spend in addition to the above.

- A guaranteed Cashback of 10% at any supermarket, mobile/telecommunication service provider and fuel station up to a maximum of Rs.1,000 a month; which was previously Rs.2,000.
- You will continue to receive 0.1% on all your other expenses.
- Additionally we have added year-round savings on your online transactions to offer you a benefit that will reward shopping with savings up to Rs.1,000 per merchant, per month through our online partners.
