

Overseas Scholarship

for International Ambitions

USD10,000 Scholarship to a University of their choice to jumpstart your child's overseas education aspirations

If an international education and a brighter future is what you want for your child, HSBC helps make the entire process as easy as possible with our host of International Student benefits. HSBC now also gives your child the opportunity for an international scholarship to jumpstart their higher education; so that they can enrol at a university of their choice, anywhere across the world.
